## Map of Route:

## Summary of Route:

- Park at the “[South Lot](#)” located off of Holiday Park Dr.
- Start by riding up the Freeway until you reach the granite bench for “Jewel’s Junction”.
- Turn Left onto Trail 4 and follow it until the T-interesection with the Main Trail. Turn a sharp Right (uphill) on the Main trail.
- Follow the Main Trail until you reach the intersection with Body Dump and Winter’s Coming. Turn Left onto Winter’s Coming
- About ½ way along Winter’s Coming, you will see the sign for Taken for Granite, take this trail to the Pavillion.
- At the Pavillion, follow the connector trail to Dark Green, ride Dark Green (both the loop and the downhill) for some berrmy-fun to Duck Chutes.
- Follow the double track and look for the clearing, and the connector to Pine Pedaler, take the right hand branch of the connector to Pine Pedaler.
- Look for the bench and signs for Jake Brake, and follow the Jake Brake sign to ride Jake Brake. It ends at a connector for Pine Pedaler.
- Follow the connector into Pine Pedaler and turn Left to follow Pine Pedaler to it’s other end point
- Take the connector immediately across from the end of Pine Pedaler to get to Slimer (near the Pavillion).
- Follow Slimer uphill to the start of Winter’s Coming, climb up the hill (it’s a longer climb) and ride the entirety of the trail.
- Now you are getting close to being done, back track on the Main Trail by turning Right at the end of Winter’s and follow the Main trail for about 250m - watch for the sharp turn for Trail 4 on your Left.

- Follow Trail 4, past Jewel’s Junction and keep going towards “Green Mile”
- Follow straight into “Green Mile”, this trail trends mainly downwards and is a great way to end your ride!
