Map of Route:

Summary of Route:

- Start at “Main Lot of Bracebridge Resource Management Centre” (BRMC)
- From main lot take Turtle Trot and then Rabbit Run to warm up.
- At the end of Rabbit Run, you will see the blue trail “Jake Brake”, turn Right away from this trail and look for the sign for Pine Pedaler, take this trail all the way to the end. You will see a couple turn-offs, but stay on Pine Pedaler.
- At the end of Pine Pedaler, you will be at the “Main Trail” - a very wide double track. Go across this trail and into the connector trail that takes you to the Pavillion.
- Take the connector trail after the Pavillion that leads you to Dark Green. To maximize your fun, once on Dark Green, stay Right to cross the culvert crossing, and stay Right to do the first loop. You’ll return back to the culvert crossing, stay Right again to follow Dark Green downhill all the way to Duck Chutes.
- After checking out Duck Chutes, pedal up the double track and keep your eyes peeled for the clearing for a connector to Pine Pedaler (there is a sign to help to locate this connector).
- Ride Pine Pedaler until you get back to where you first entered into the trail
- Follow the Main Trail back to the Parking lot.
- Still have some energy, you can ride Slimer for a quick bonus loop, or follow the loop backwards!
